No, you should not expect anything else by mail/carrier. Other material will be transmitted via email later today. Have a great day. – Matthew

**Subject:** Re: [External] Addresses for USB Drive Delivery

Hi Matthew, this afternoon I received a UPS package, containing a USB with five MP4 video files, along with a hardbound WorldVision "Faith in Action" Study Bible. Kindly advise at your convenience if there are any other materials which I should expect to receive via mail or common carrier.

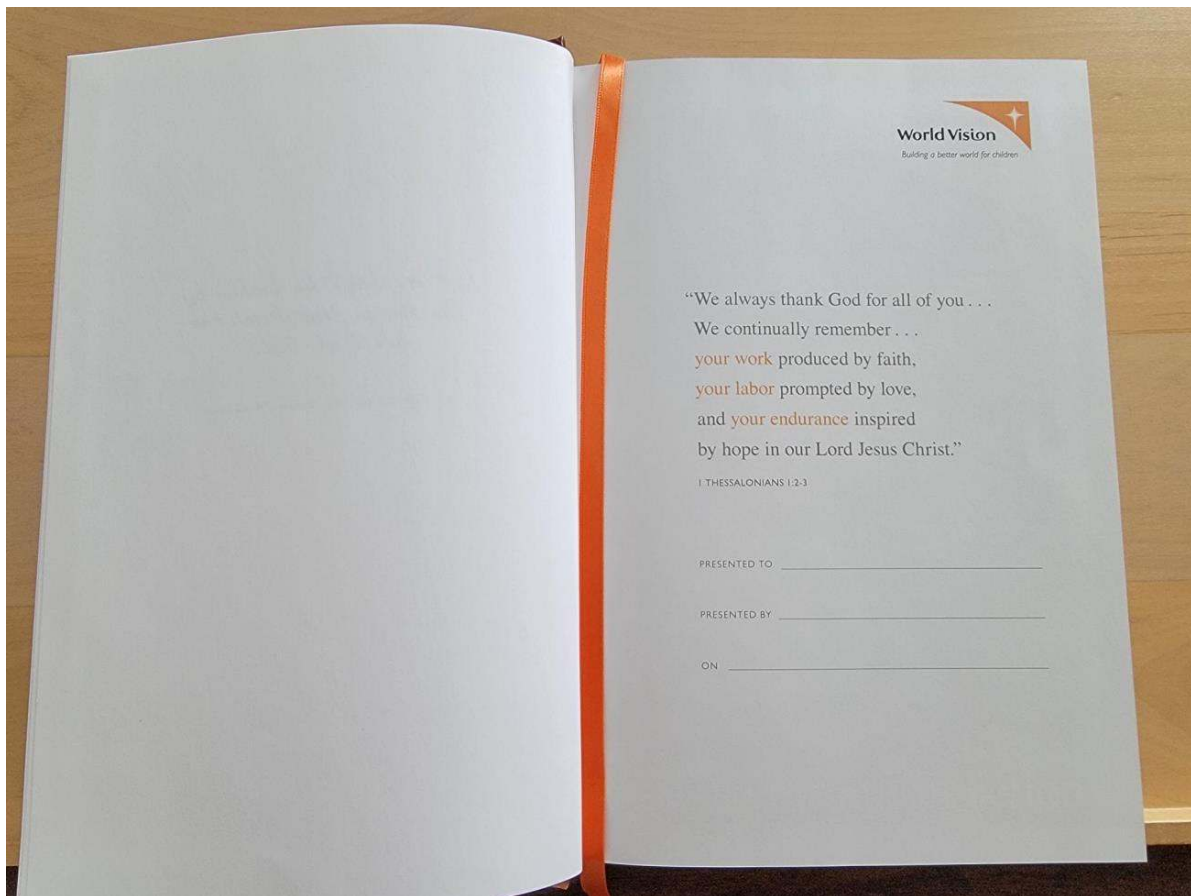

Thank you.

# The World in the 21st Century

### Understanding today's world

Putting your faith into action in today's world requires an understanding of the needs around the globe. This section of the *Faith in Action Study Bible* will give you insight into the daily life of billions of people. You'll also gain a new perspective on your place in this world.

**There are more than 6 billion people in the world.**

- One in two lives on less than \$2 a day
- One in three claims to be a Christian
- One in four is under 14 years old
- One in five is Chinese
- One in six does not have access to health care
- One in seven does not get enough to eat
